Bulk Seed order : - Is in in July

President's Squawk:

Hi all.

The seed order went off well. Thanks to Bill.

Don has set up the joint electronic authorization of payments system with the ANZ (our existing bank). It took him a few trips to the bank to get it working. Now we have done two payments, the hall rental and the Top Flight bill. Both went well. For your information Don sets up a payment on his end and lets me know by ether text or email and then I go into the account and authorize the payment. Then thanks to the modern world the payment happens. It needs both of us to do our bit for this to happen so it has good safe guard for the club. All I can do is look at past transactions and authorize current ones. Which is a good thing.

See you at the meeting.
