

Greetings everybody --- We had a very interesting recent mini aviary crawl with a visitation to three aviaries --- Bill with his Canaries & Gouldians , his impressive set up of his two aviaries and bird room. Trevor with his wide varieties of foreign finches and breeding pairs of british birds all enclosed in a huge eye pleasing octagonal shaped aviary and finally Jim aviary with his fine collection of Budgerigars, with great looking Lutinos, there we were hosted to a great afternoon tea --- thanks guys.
